Welcome Back

I hope you all are enjoying these last weeks of summer. Thanks to all parents who have filled out their **Parent Survey**. I am enjoying getting to know a little bit more about your students. If you haven't completed yours yet, you can do it [here](#). I'd also like to thank those of you who have filled out my **Parent Email Form (HERE)** I need to have ALL parents fill out this form, even if you have sent me emails updating your information. Thank you for your help!

On Monday, 8/24, we will have **Back to School Night**. This will be a time for me to talk to you about procedures and expectations for distance learning in 5th grade. This meeting will be for parents only. Students will not attend. I will send out a link the night before. See you then!!

Getting to Know You Zooms

I'm looking forward to getting to know all of my new fifth grade Panthers and their families through my 10-15 minute zooms. Please sign up [HERE](#) for a Zoom time. Due to security protocols, make sure to log in from your student's Google Account.

Chromebook Distribution - Friday, 8/21

Please come to school to get your technology. All 5th graders are required to use a district-provided Chromebook as they have been set up with the applications necessary to facilitate distance learning. Contact Elmer Monge (emonge@mbusd.org) or Cory Moore (cmoore@mbusd.org) with any questions.

Distribution of Pre-ordered School Supplies & Classroom Materials

Pre-Ordered School Supply Boxes should be picked up:
Monday, 8/24 from 11:00 - 12:00.

If you did not purchase school supplies through the PTA, please make sure to gather or purchase all supplies on the school supplies list [HERE](#)

We ask that students do NOT open their supplies until the first day of school, so that materials do not get mislaid. We will get organized together during our first zoom sessions.

All distributions will be conducted in The Zone. Please approach the Zone from the east, on 14th Street from Poinsettia, to avoid traffic congestion and keep the distribution running smoothly.
